Case No. 24S-MS-1

Order Amending Child Support Rules and Guidelines

Under the authority vested in this Court to provide by rule for the procedures employed in all courts of this state and this Court's inherent authority to supervise the administration of all courts in this state, the Indiana Child Support Rules and Guidelines are amended as set forth in Exhibit A (deletions shown by ~~striketrough~~ and new text shown by **bolding**).

As Exhibit A reflects, this amendment changes the child support figures only for parents with a combined weekly adjusted income between \$4,000 and \$5,000 who have two or more children. Although the amendment results in a slight reduction of support at some points in this range, the amendment eliminates scenarios where the support amount decreased even as adjusted income and the number of children increase. All other sections of the Indiana Child Support Guidelines and the Schedule of Weekly Payments remain in effect.

This amendment is effective immediately.
